

What is BEER?

A revolutionary new method of using a new cryptocurrency to crowdfund craft breweries with the option of owning a share of the funded business!

BEER IS CONVERTIBLE TO TANGIBLE ASSETS!

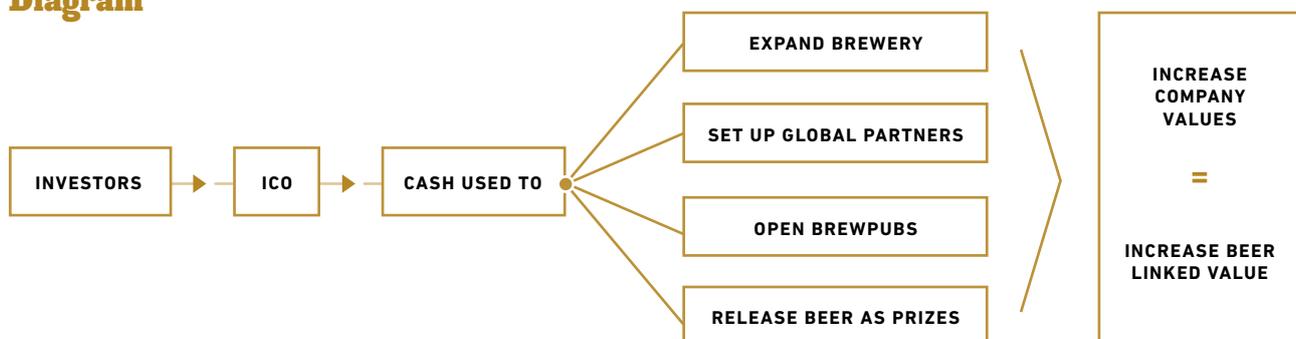

As the Brewery Consortium value increases, BEER value increases.

- BEER can be converted to other crypto or FIAT currencies.
- BEER can be converted to shares in a company owning an existing craft brewery + share of - Brewery Consortium partners + balance BEER & FIAT currency (LINKED VALUE).
- BEER will fund the expansion of Brewery Consortium partners.
- BEER will be released (mined) as prizes on Brewery Consortium sales.

Craft beer consumption will increase Brewery Consortium value and linked BEER.

BEER value is consumer driven...YOU...so, invest in yourself!
